

## Allow Employers To Extend Exit and Re-entry Visa

### Initiative Owner

General Directorate of Passports

### Initiative Objective

Support the private sector in extending exit and re-entry visas that have not been used during curfew period to benefit from the prepaid visa's value.

### Initiative Description

Allow employers to extend exit and re-entry visas, that have not been used during the curfew period in the Kingdom for a period of 3 months free of charge

### How to benefit from the Initiative

All exit and re-entry visas have been extended for the specified period, which were not used electronically without the need to revise passport directorates.

### Target sectors

Private sector establishments

### Initiative period
